# Shichigahama Town Bus "Gururinko" Schedule (Last Revised: April 1, 2018)

## About “Gururinko,” the Shichigahama Town Bus

### 1. Fare Information

- 1) Please pay the fare when boarding.
- 2) The fare is 100 yen within Shichigahama and 200 yen for outside of Shichigahama. Child fare (elementary school or under) is half the adult fare rounded up to the nearest 10 yen. One accompanied child (under 6 years old) fare is free. Infants (under 1 year old) ride free.
- 3) If you have a certificate for physical, mental handicap or mental disorder, present it upon boarding for half off the fare. A caregiver accompanying a type 1 handicapped person will also receive half off the fare.
- 4) If you are 65 years or older and returned your driver’s license, present your driver’s certificate for free fare for one year after its issuance.
- 5) 5,000 yen (worth 5,500 yen) and 3,000 yen (worth 3,250 yen) fare coupons may be purchased on the bus.
- 6) The commuter pass is the same cost no matter what stop you get on and off. Please refer to the next page for more details.

### 2. Service Information

- 1) There are 8 routes: 2 Shichigahama⇌Shiogama and 2 Shichigahama⇌Tagajo routes, with each route also having a separate daytime and morning/evening schedule.
- 2) During daytimes, you can also get on or off anywhere in Shichigahama along the bus route (excluding between Sunayama and Goso-mae stops). Note the bus will not stop at curves with low visibility, intersections, narrow roads, or places where it may obstruct traffic. Wait in a safe area with wide roads and raise your hand when the bus is near to let the driver know you would like to board.
- 3) The bus stops highlighted in dark pink in the route map are in conflict with the

Shiomidai Neighborhood Bus line, thus you cannot both get on and off at dark pink stops. If travelling from one dark pink stop to another, please take Miyako Bus’s Shiomidai Neighborhood Bus Line.
